

Let your employees and clients know that you have invested in a partnership with the Coachella Valley's most beloved landmark, The Living Desert. Your membership sends a clear message of compassionate support for desert wildlife in its natural state for the community's enjoyment. In return for your commitment, you will gain valuable recognition to over 14,000 members and more than 405,000 annual visitors through our website, publications and social media. Expand your brand awareness by communicating your message to our local guests and visitors to the Valley!

A Business Membership will also provide unique access to the park for your clients, employees and guests with Members' Only events, as well as discounts on group tours, retail, restaurants, and venue facility rentals.
