DAYS 3/4/5~ SATURDAY/SUNDAY/MONDAY~ JUNE 20/21/22

MATOBO HILLS NATIONAL PARK~ CAMP AMALINDA

Return to the airport in the morning for your flight to Bulawayo, Zimbabwe's second largest city and drive south towards Matobo Hills National Park and Camp Amalinda, your home for the next three nights. The Matobo National Park is the oldest in Zimbabwe and the Matobo Hills which was known for many years as the Rhodes Matobo National Park have been included into the World Heritage list. The park is small, covering 110,000 acres, easily accessible with stunning landscapes and superb

wildlife viewing. The Matobo Hills National Park is one of Zimbabwe's prime wildlife sanctuaries with a large population of white rhino, the elusive black rhino, a variety of antelope species, baboon, rock hyrax and a large population of leopard; the rocky outcrops and dense undergrowth provide perfect cover for hunting and breeding. The park is also famous for its Black Eagle population, African Hawk and the Cape Eagle Owl.

The area has a rich human history; the park has more than 3000 rock art sites dating back from 320-500 AD, and other historical treasures such as 20,000-year-old stone tools. Bushmen lived in this area 2,000 years ago and left behind a large collection of rock art behind, much of which has been well preserved. There are numerous sites where San rock art can be seen, many of them at places which were used for significant spiritual rituals. The local Ndebele claim this land as a sacred shrine and still pray to Mwali to petition for rain. The area was critical during the Matabele rebellion and was the meeting point for Sir Cecil John Rhodes and the Ndebele chiefs, and where they finally signed their treaty of peace. In colonial times, Matobo Hills was loved by Cecil Rhodes, so he requested, and was granted permission, to be buried there. His grave, carved out from the rock, is marked by a brass plaque at the aptly named World's View, a vantage point high up on the rocks.

During your stay, you will have the opportunity to visit Chipangali Wildlife Orphanage and research project. The word Chipangali means 'open friendly country' and it's a haven for wild animals that had little hope to survive in the wild. Founded in 1973 by the late Vivian Wilson and his wife Paddy, over the years Chipangali has saved countless lives releasing creatures into the wild

after rigorous preparation. You will learn about the projects they're working on and meet some of the animals during your visit. Chipangali is dedicated to the rescue and care of animals in Southern Africa that are orphaned, injured, abandoned, abused, or confiscated, and the ultimate goal is to rehabilitate them and return them to the wild. If not possible to return them to the wild, animals are kept for educational purposes and captive breeding. Through the years, Diana, Princess of Wales, and Stefanie Powers have been some of the celebrity patrons of the organization.

If only they could speak... Huge granite masses – seamed, split, shaped, and sculptured by time and the elements – form an array of giant whalebacks and castellated kopjes that cover 1, 158.306 square miles of Matabeleland South Province. Much of the country's history has been written and played out within the confines of the Matobo Hills – from the time thousands of years ago when ancient Bushmen used the granite. Nestled in this unique range of hills is Camp Amalinda which has just nine thatched

chalets which are comfortable, clean and very original in design. The rooms are built around the huge granite boulders each individually decorated having its own look and feel. The lounge and entertainment area are tucked away into a Bushman shelter with a panoramic view of the Matobo Hills. At the base of the camp stands a large swimming pool and a bar, all overlooking a waterhole. Near the pool is the Heritage Spa. Delicious meals are served on a massive teak table in the open-air dining room.

DAY 6 ~ TUESDAY ~ JUNE 23

HWANGE NATIONAL PARK ~ CAMELTHORN LODGE

Fly this morning to the Bomani Airstrip close to Hwange National Park and to your home for the next four nights – Camelthorn Lodge, located at the edge of the park and the Tsholotsho community concession in a refreshingly shady grove of acacia trees. Consisting of salt pans, acacia scrub and grasslands, this park is the largest in Zimbabwe with one of the densest concentrations of wildlife in Africa. Massive herds of buffalo and elephant are a sight to behold, as you scour the landscape by 4x4 open vehicles or on-foot for Sable and Roan antelope, impala and even gemsbok. Predators are abundant, including lion, wild dog, cheetah, African wild cat, black-backed jackal and brown hyena. Leopards have even been known to enjoy their dinner in front of the camp. Bird watchers will delight in an array of Miombo and Kalahari species, from Red-billed Francolin and Yellow-billed Stork, to Green Woodhoopoe, and raptors such as African Hawk Eagle and Black Sparrowhawk.

Upon arrival, you'll transfer to the lodge and depending on time of arrival you will check-in to your forest villa and then have lunch. In the afternoon enjoy a game drive and walking safari exploring southern Hwange.

Camelthorn Lodge is an authentic, stylish lodge tucked in a shady acacia woodlands grove on the edge of the Ngamo Plains, in the southeast of Hwange National Park. The lodge takes its name from an impressive ancient camelthorn tree, which is the centerpiece of the lodge with the main area and eight beautiful villas flowing around it. The main lodge has expansive dining, bar, and lounge areas with al fresco dining options under the camelthorn tree. Accommodation at Camelthorn consists of eight forest villas, each made of concrete with a corrugated iron roof. Each villa has a patio for private dining, a hammock, and a spiral staircase leading up to a balcony with a daybed, perfect for relaxing in between activities. All villas have a spacious bedroom, a lounge area and the en-suite bathrooms are modern and stylish with dual vanity basins, large shower and bath. Other features are a ceiling fan, fireplace, mini bar, tea/coffee tray, electronic safe and complimentary robes. There is also a small plunge pool to cool off in. Solar power, Wi-Fi in the main lodge, cell phone reception are all available.

Overnight at the CAMELTHORN LODGE. (B,L,D) <https://imvelosafarilodges.com/camelthorn-lodge/>

DAYS 7/8 ~ WEDNESDAY/THURSDAY ~ JUNE 24/25

HWANGE NATIONAL PARK

You will have three full days to explore southeastern Hwange and the Bomani Concession. After an early wake-up call, join your guide at dawn for a cup of coffee and slice of toast before heading out to explore and interpret what happened in the wilderness last night. You head out early because that is when the speedy big cats are active. Walks will be conducted by an experienced professional guide, looking at tracks and signs, or perhaps approaching an animal on foot to snatch a memorable photograph. Return to the lodge for brunch.

In the afternoon, head back into Hwange in search of game before making a stop for a bush lunch next to the lodge's specially built underground game-viewing blind at Stoffie's Pan aka the "Look-up" blind, named such because it's located at the water level, so you'll be looking up at the elephants. You will enjoy some time in the blind with snout-level viewing of thirsty elephants just feet away. The blind is furnished with comfortable seating and has running water for flush loos and hand basins.

In the late afternoon, you continue to explore the Ngamo plains on foot and by vehicle. After sundowners, drive back to camp, exploring the Bomani concession, looking for nocturnal species that prowl the plains after twilight.

Overnight at the CAMELTHORN LODGE. (B,L,D Daily)

DAY 9 ~ FRIDAY ~ JUNE 26

HWANGE NATIONAL PARK

Today visit Ngunyana Village where you can join the children on their morning walk to school or join the younger kids for a ride in your safari vehicles. Once at the school, guests meet the Headmaster and are welcomed with traditional songs sung by the students, followed by a short classroom interaction. This activity gives the school children a wonderful opportunity to meet and interact with people from all over the world who have come to see the wildlife amongst which they live.

After the school visit, head to a nearby village for an un-choreographed visit of a local homestead, including a meeting with the headman of the village. You will be able to see some of Imvelo's community initiatives firsthand and gain insight into the day-to-day life of a rural Zimbabwean including learning about thatching roofs, tilling fields, milling maize and weaving baskets.

In the afternoon, visit the Imvelo Ngamo Rhino Sanctuary where you'll meet their new residents, Thuza and Kusasa, as well as the Cobra Rangers guarding them 24/7. Start with a behind-the-scenes look at the Cobras basecamp, where you'll learn more about their work along with Imvelo's many other community and conservation programs. Hear a short talk on the origins and ideas behind the formation of the Cobras unit and how they protect the rhino, as well as the future plans for our ground-breaking Community Rhino Conservation Initiative.

Head off on foot or by vehicle with the Cobras to meet Thuza and Kusasa. There will be lots of photo opportunities and quality time to watch and enjoy the Imvelo rhinos in their natural environment on the Ngamo plains; how close you will be able to get to the rhino will be subject to conditions on the ground.

This evening, board Imvelo's one-of-a-kind game viewing railcar, the Elephant Express for a sundowner experience. The railcar seats 22 passengers and the finishes are comfortable and elegant. They include individual coach seating, a chemical toilet, teak tables, and a large aisle that allows guests to walk around comfortably and provides unrestricted game viewing.

The eastern boundary of Hwange National Park is marked by an historic railway line – part of Cecil Rhodes' dream of an empire stretching 'from Cape to Cairo' with the railway line as its backbone. The section of track you will travel was opened early in the 20th century (around 1904) and is perfectly flat and straight; the longest straight rail line in the world when built. Head off along the eastern border of Hwange National Park, enjoying sundowner drinks as you search for wildlife. Overnight at the CAMELTHORN LODGE. (B,L,D)

DAYS 10/11~ SATURDAY/SUNDAY~ JUNE 27/28
HWANGE NATIONAL PARK/VICTORIA FALLS~ OLD DRIFT LODGE

After a final breakfast this morning, board your light aircraft flight for a one hour scenic flight from the Bomani Airstrip to Victoria Falls airport and continue by vehicle to Old Drift Lodge, your home for the next two nights.

At more than twice the size of Niagara Falls it's no surprise that Victoria Falls are among the Seven Wonders of the World. Mosi-oa-Tunya – *The Smoke that Thunders*, derived from the towering column of spray when the Zambezi River runs high, is the name that Zimbabwe's local people have given to this awesome natural phenomenon. The name is probably more appropriate and descriptive than "Victoria", which has a far too calm and composed ring to it to do justice to the masses of thundering, swirling water of these spectacular falls. But all Dr. David Livingstone probably thought of when he named the falls after his Queen in 1855 was his royal duty. Five separate falls make up this incredible spectacle that plunges more than 300 feet into a sheer-sided chasm which separates Zimbabwe from Zambia. The awe-inspiring abyss is spanned by a 1905 Edwardian bridge which links the two countries. The masses of water plunging down the falls and into the gorge below originate from the mighty Zambezi River that meanders through more than 1,677 miles of African countryside.

Your visit will include a tour of the falls on the Zimbabwe side. An afternoon sundowner cruise will be a highlight as you glide along the Zambezi River, watching hippos snort, elephants drink on the riverbank, monkeys jump from branch to branch, birds fly overhead, or pose for a photograph on the branches, and much more. Enjoy your gin and tonic, cool beer, or drink of choice, and see a panoramic sunset as the sun dips below the horizon, painting the whole area in unbelievable colors of brilliant reds, yellows, purples, and mauves.

You will also get a tour of the Falls on the Zimbabwe side to explore the rainforest of the Victoria Falls and the abundance of birdlife that can be found there. Amble along the scenic pathway, stopping at spectacular vantage points along the way. Learn about the Falls which are among the Seven Natural Wonders of the World. Your lodge also offers the following activities:

- Morning or Afternoon Game drives in the Zambezi National Park
- Morning or Afternoon River Safaris
- Morning or Afternoon Guided Walking Safaris.
- A Lunch at the Lookout Cafe - Including drinks.

Old Drift Lodge opened in January 2018 and is your home for two nights. This luxurious lodge is located within the Zambezi National Park and has 10 double suites, and four family suites all decorated with stylish furnishings, fitting of a bygone era, and blend in seamlessly with the natural environment. The spacious canvas en-suite rooms have a private lounge, viewing and "sleep-out" deck, indoor and outdoor showers, plunge pool and an outdoor bath overlooking the Zambezi. The main lodge area has 360-degree views, north facing onto the Zambezi and south facing onto a water hole.

OPTIONAL POST-EXTENSION TO LOWER ZAMBEZI NATIONAL PARK

DAYS 12/13/14~ MONDAY/TUESDAY/WEDNESDAY ~ JUNE 29/30~JULY 1

VICTORIA FALLS/LOWER ZAMBEZI NATIONAL PARK~ SAUSAGE TREE CAMP

Bid farewell to the rest of the group returning to the USA tonight, cross over to Zambia and to the Livingstone airport, where you will board your light aircraft to Lower Zambezi Valley. This area is home to a large number of mammal species including elephant, hippo, buffalo, kudu, zebra, impala, bushbuck, duiker, klipspringer, lion, leopard, hyena, African wild dog, serval, civet, genet, aardvark, chacma baboon and vervet monkey, just to name a bunch. The Lower Zambezi Valley remains a huge and untamed wilderness, sparingly inhabited by local tribesman, rich in big animal and bird life.

The beauty of the Lower Zambezi National Park is its state of absolute wilderness. Lying in the Lower Zambezi Valley between the rolling hills of the hazy escarpment and the Zambezi River, it is sprinkled with reed islands, which are home and feeding ground for many animals. The mighty Zambezi River shaped this wild land. After thundering over Victoria Falls miles upstream, the massive river slows behind the massive dam that created Lake Kariba and then, unfettered, pushes its way east through the Zambezi Valley toward Mozambique and the Indian Ocean.

The wildlife punctuates this landscape perfectly, leaving the visitor often at a loss as to which to admire more, the scenery or the animals. With the Zambezi River as one of the park's natural boundaries, the area also attracts an abundance of birdlife estimated to include almost 400 species. Bird watchers will be delighted at the variety of colorful birds such as Scarlet and Green Lovebirds, Yellow, Blue and Gray Parrots, Azure Kingfishers and Large-beaked Hornbills. You will also hear one of the most unforgettable cries of Africa – the eerie lament of the African Fish Eagle.

Your daily adventures will feature wildlife viewing by vehicle, boat or canoe, so as to see animals in the least obtrusive manner possible as they go about their daily lives in the valley, along the river, and on the many islands.

Your luxurious camp is set on the banks of the Zambezi River. The narrow channels of this mighty river are often teeming with game and the newly updated Bedouin-style tents offer the perfect spot from which to observe it all. Experience the tranquility in one of only seven tents relaxing on your private deck complete with stunning views of the Zambezi River. Fall asleep in your 4-poster canopy bed listening to the sounds of hippos huffing in the distance. Each meal at Sausage Tree Camp features locally inspired dishes made with the freshest ingredients. Breakfast and lunch are buffet-style on the deck overlooking the water and occasionally organized in the shallows of the river. Enjoy an evening dining on the banks of the Zambezi, serenaded by hippos and frogs

THINGS YOU NEED TO KNOW ABOUT SOUTHERN AFRICA

Participants

- Participants must be able to climb in and out of safari 4x4 vehicles unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for periods of time, as well as some off-road experiences when opportunities allow.
- Participants should also be able to stand and / or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns, or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

General

- True adventure in travel can sometimes be accompanied by unexpected changes in conditions, itineraries and occasionally your accommodations.
- Participants should travel with a spirit of adventure and flexibility. Remember to pack your patience and sense of humor! Be willing to look past self-imposed ideals of Western amenities and do not compare these new experiences with your life back home. Travel often includes visiting destinations with modest infrastructures and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.
- Participants should generally be in good health and prepared to travel to locations without medical facilities.

You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning May 7, 2025, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at <http://www.tsa.gov/traveler-information/acceptable-ids>. The name, date of birth and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and tours.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from carrying hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed <http://www.tsa.gov/traveler-information/prohibited-items>.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at <https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

<p>LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights aboard light aircraft which are designed with a maximum luggage allowance; this is closely monitored by the flight operators for safety reasons. You are allowed one carry-on and one piece of luggage, total weight. 44.092 Lbs. (20 kg's) per person including the camera equipment.</p>

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.
